What is a Pre-Conference and why should I attend?

The Pre-Conferences are held to distribute information on the General Service Conference agenda topics to the groups in Western Washington. Every year in April, the Area sends our Delegate to the General Service Conference in New York. Getting the opinions of the groups back to GSO is one of the most important things we do during the year. Make sure you come and get information to take to your group so they can make an informed decision. And then make sure our Delegate gets your group's input.
